SUMMER IS FINALLY HERE!!

Lots of changes going on around the lake. Bay Pointe Inn's expansion is completed and their Gun Lake Live series has begun. They feature many local and favorite return artists. Check them out every Wednesday @ 6:00PM in the pavilion.

4th of July Fireworks Show!!

This years show will be held on Saturday July 6th at 10:00pm with a rain date of Sunday July 7th. Get out and enjoy the fun and fireworks, but please remember to be safe out there. The lake does get pretty full for the fireworks, make sure you use proper care and your lights to avoid accidents!

FEATURED BUSINESS OF THE MONTH!!

FROGGY'S ICE CREAM

When did you start your business? 2018

What is unique about your business? Last year 90% of our staff was made up of "kids" that were never in the workforce. It was their 1st job. We really strive to make the "kids" 1st job fun, rewarding and exciting-all while ingraining a strong work ethic. We also encourage every employee to utilize their cognitive inhibitions by continually asking for their input and ideas.

What products and or services do you provide? We obviously provide ice cream and everything associated with it, however we ultimately want to provide an experience that families will remember by giving them a superior product, great environment and a sense of ownership in their community.

Are you running any specials? If so, for how long? Every Monday—Buy One Get One Free on all soft serve products!

What is the one thing everyone who hears about your business

asks? How do you like the ice cream business?
 --Working with the “kids” at Froggy’s is absolutely the most rewarding job I have ever had. All of them have unique characteristics and I am just enthralled watching each of them interact with each other in an environment that is new to them. To see them grow and learn in the work place all while learning how to work with their peers is spectacular. I hope I can provide every one of them with a great experience that they will never forget and at the same time instill the work ethic I was taught growing up.

Do you support a community charity/events? Since we were only open 21/2 months of the year last year we were only able to get involved in a few events around the lake. We welcome any suggestions and invite the community to let us know how we can help and give support where needed.

Be sure to check them out. They are located on the south/west side of the lake (next to Lakeside Pizzeria & Grill).
