**This years event was held on FEBRUARY 15<sup>th</sup>, 2020 @ Yankee Springs State Park from 10:00am-6:00pm.**

This was another successful year for the Gun Lake Winterfest. We estimated we welcomed in about 3800 people. The weather was perfect and fun was had by all from young to older.

Your Winterfest committee will continue meeting every month to make sure that next years event is even greater than this one. We welcome you to join us with your thoughts and suggestions. Or feel free to contact Monte Baker at [montebaker@grar.com](mailto:montebaker@grar.com) if you or someone you know would like to help volunteer. Help is always greatly needed and appreciated!!

## FEATURED BUSINESS OF THE MONTH!!

### PHOTOGRAPHIC MEMORY

Rose Hendershot

**When did you start your business?** December 17, 1997

**What is unique about your business?** I travel to my clients' location. With a new baby, moms need to keep them out of the public for their health and it's a great time to show off the nursery. For families, it's best to add their own items in as part of their "set". Older people are much more comfortable in their own surroundings and it gives "place" for context of their

lives. All these things make the portrait much more personal and memorable. I have many studio backgrounds and often take one along for a more traditional portrait for variety.

**What products and or services do you provide?** I am a portrait and event photographer for families and businesses. I personalize each session to the client. I offer printed portraits on traditional photographic paper as well as artistic papers and canvas. Clients can also have their images on wood, metal, acrylic and a host of novelty items. I have framed my work and things clients bring to me from 4x5 to over 30x40 inch pieces. I have photographed houses for realtors for their on line listings. That is interesting work and it's fun to see what features they want to bring out.

**Give us a little background history on your business?** I started my career as a way to preserve a family's history and capture milestones. I travel to where a newborn first opens his/her eyes and go to nursing facilities before a loved one closes their eyes for the last time. I have worked with people from minutes old to over 103 years old.

**Do you support a community charity?** I support the work of Green Gables Haven in Hastings. The work they do is life changing and making a difference in the personal lives and the community.

**Do you support any community events?** I photograph events in Hastings through the Barry County Chamber of Commerce and City of Hastings to promote family activities and businesses in the area. Examples are Gus Macker, Jingle and Mingle, Memorial Day Parade, Veteran's Day Ceremony at Tyden Park, St. Patrick's Day Parade, Summerfest in Hastings,

Thornapple Arts Council and others as called upon.

**Anything else you would like to add?** I really enjoy my work. I hope that my photographs enrich the lives of the people who receive them. I frequently hear how people visiting our area see my photographs, let me know how much they enjoy them when they've stayed at the Holiday Inn in Hastings.

**Are you running any specials? If so, for how long?** I run specials for families in July and August, high school seniors in June, July and August. Children session specials are in March, October and November.

**Be sure to contact Rose Hendershot at Photographic Memory! (269)948-7710**
